**Finish**  
Polished

**Dimensions**  
14,1mm (H) x 119,70mm (L) x 63 mm

**Characteristics**  
Closed lid with mirrors or transparent

**Printings**  
Hot stamping, tampography, serigraphy,  
heat-transfer, sticker application

**Ideal for**  
Compact powder, Bronzer, Illuminator

### Why we love it?

Because the shape is squared and imposing and provides the packaging with a unique touch and is a match for classic brands as well as for more modern brands. Has a variation of lid with or without mirror.
