

FLAT SEXTETO

Material
Lid, base and tray in ABS and SAN

Finish
Polished

Dimensions
14,1mm (H) x 119,70mm (L)

Capacity
9g

Characteristics
Closed lid with mirror or transparent

Printings
Tampography, serigraphy, heat-transfer, sticker application

Ideal for
Eye-shadow, illuminator, contour

Why we love it?

Because the square shape is imposing and gives the packaging an unique touch that matches more classic brands and more modern ones as well. Has a lid variation with or without mirror.
